**\*IMPORTANT\***

**Primary Care RNs must complete the following 3 steps:**

- Attend a FULL DAY T34 Syringe Pump mandatory training
- Complete the Learnpro Module: CME T34 Calculations (GGC:100)
- Complete their T34 Competency Framework for Palliative Care in Adults

**Thereafter, every 3 years each RN must attend a HALF DAY T34 update training and repeat the Learnpro module & Competency Framework.**

If you haven't done these steps (or they were done over 3 years ago) you need to attend the Full Day T34 training. Please contact us for details.
